American Greatness	<p><a href="https://amgreatness.com/">https://amgreatness.com/</a></p> <p>Chris Buskirk Publisher / Editor</p> <p>Ben Boychuck Managing Editor</p> <p>Julie Ponzi Senior Editor</p>	<p>A great source of conservative commentary featuring such authors as Victor Davis Hanson, Roger Kimball, and Julie Kelly. It’s basically an online pro-Trump conservative journal of ideas.</p> <p>Founded in 2016 as the successor of the pro-Republican, pro-Trump <i>Journal of American Greatness</i>, AG calls itself “the leading voice for the next generation of American conservatism.” Its “Declaration” states “Today, movement conservatism offers the American people not a choice, but an echo of the Left. Because of this, American Greatness is not an alternative to movement conservatism; it is a refounding of a distinctly American conservatism based upon the self-evident principle of human equality and the rights that flow from it. Just government exists to protect and promote these rights and is therefore necessarily limited, constitutional, and republican in its form.”</p>
American Thinker	<p><a href="https://www.americanthinker.com/">https://www.americanthinker.com/</a></p> <p>3060 El Cerrito Plaza, #306 El Cerrito, CA 94530</p>	<p>An outstanding source of conservative and libertarian commentary on national public policy issues. Seven or eight new articles added every day, ranging in length from short to very long. It is not affiliated with any group and is based far outside the beltway. Authors are often excellent and highly qualified but relatively unknown to the beltway think-tank crowd. The articles are timely and often forceful, and they are intended to make you think rather than just deliver talking points cooked up by politicians and beltway think tanks.</p> <p>Founded in 2003 by Thomas Lifson, who writes frequently for the site and remains its editor and publisher.</p>
America Out Loud	<p><a href="https://www.americaoutloud.com/">https://www.americaoutloud.com/</a></p> <p><a href="https://www.americaoutloud.com/the-other-side-of-the-story/">https://www.americaoutloud.com/the-other-side-of-the-story/</a></p> <p><a href="https://www.americaoutloud.com/who-we-are/">https://www.americaoutloud.com/who-we-are/</a></p>	<p>An excellent conservative network of conservative and libertarian writers and talk show hosts launched in 2016. The website lists 20 shows covering everything from the constitution to health care. Check out “The Other Side of the Story,” hosted by Jay Lehr and Tom Harris, two folks who worked with The Heartland Institute, and The McCullough Report on the Covid scam. The talk radio show schedule has program from 8:00 a.m. to 9:00 p.m. seven days a week. I get daily emails via Rumble (a free-speech alternative to Facebook). You can sign up for it for free.</p> <p>From its website: “American patriots that are Out Loud in their love of our constitution and our way of life. It’s Americans that are Out Loud on every imaginable topic of concern to We The</p>

		People. These are Americans who understand the threats facing America and refuse to remain silent.” It has “evolved into an American values media colossus, bringing you unbridled and unadulterated facts, opinions, analyses, and truer-than-life stories voiced through the magic of talk radio and print media.”
Conservative News	<a href="https://www.conservativenews.com/">https://www.conservativenews.com/</a>  <a href="mailto:info@conservativenews.com">info@conservativenews.com</a> on Facebook: <a href="https://www.facebook.com/theconservative.news/?ref=page_internal">https://www.facebook.com/theconservative.news/?ref=page_internal</a>	<p>A good source of conservative news and commentary. A produces a free daily email with lots of links to articles about the day’s headlines. It’s a product of The Daily Wire, a conservative news website and media company founded in 2015 by political commentator Ben Shapiro and director Jeremy Boreing. See the entry for “The Daily Wire” for more about them.</p> <p>“This is the place for Conservative News because someone needs to challenge the mainstream media! Proudly managed by the Daily Wire.”</p>
Fox News	<a href="https://www.foxnews.com/">https://www.foxnews.com/</a>	<p>Fox News, along with Newsmax and the Sinclair Network (see entries) are the only national cable news networks that deviate from the left-wing bias that permeates CNN, MSNBC, The New York Times, etc. Fox News (mostly Tucker Carlson) covered government misconduct during and after the January 6 protests and Hunter Biden’s laptop, exposed Covid hysteria, and raised questions about the 2020 election and the rush to war in Ukraine. Fox News isn’t perfect: It’s coverage of the 2020 election invariably (except for Tucker Carlson) includes the false claim that there was “no evidence” of widespread election fraud in 2020.</p> <p>The Fox homepage at <a href="https://www.foxnews.com/">https://www.foxnews.com/</a> has a massive collection of stories and videos taken from the daily broadcasts. It offers a streaming service for about \$5/month that contains many hours of documentaries that are worth watching, including Carlson’s long-form interviews with interesting people and documentaries such as “Patriot Purge.”</p> <p>My iPad has a news feature that allows me to choose Fox, and every article that comes up (about 50 or 60 a day) is readable for free, whereas many other channels available from Apple News require that you pay to read the articles. Every morning I choose “U.S. politics” from the menu on the Fox site and spend between 30 minutes and an hour scrolling through headlines and reading the articles. I think it is essential reading.</p> <p>Apple News offers its own headlines and links. In contrast to Fox News, it is a terrible collection of headlines taken almost entirely from The Atlantic, Guardian, New York Times, and other liberal biased sites.</p>
Geller Report	<a href="https://gellerreport.com">https://gellerreport.com</a>	A great daily email covering the major stories of the day from a conservative perspective, with colorful language and a no-holds-barred approach to calling out leftists in both political parties. Pamela Geller was a New York journalist who gained international attention for opposing radical Islamists and being threatened with death for doing so. The daily email is free, I think (I

		<p>get it for free). The website asks for an \$18 a month contribution. Most articles featured are links to other sites. Geller herself is hard-core: for the longest time she referred to Joe Biden as the alleged President.</p> <p>“Social media giants like Facebook and Twitter have blocked and shadow-banned our accounts. But we won't put up a paywall. Because never has the free world needed independent journalism more.”</p>
Heartland Daily News	<p><a href="http://www.heartlanddailynews.com">www.heartlanddailynews.com</a></p> <p>3939 North Wilke Road Arlington Heights, Illinois 60004 Phone: 312/377-4000</p>	<p>The Heartland Institute, founded in 1984, is national nonprofit conservative-libertarian, or libertarian-conservative, think tank based in suburban Chicago. This site, one of a half-dozen websites listed at the bottom of <a href="http://www.heartland.org">www.heartland.org</a>, is updated every day with news and commentary on education, environment, health care, taxes, and other topics.</p> <p>Heartland also produces daily podcasts, weekly e-newsletters, and print publications including books and monthly public policy newspapers on a wide range of public policy issues. While it frequently addresses national issues, its original focus was on state governments.</p> <p>See the entry for The Heartland Institute.</p>
Just the News	<p><a href="https://justthenews.com/">https://justthenews.com/</a></p> <p>Email: support@justthenews.com Phone: (202)765-2580</p>	<p>A great conservative news aggregator, like what the Grunge Report used to be, just tons of headlines reporting news that the mainstream media is ignoring or deliberately trying to censor.</p> <p>“JusttheNews.com is committed to just reporting facts from journalists with a long record of public trust and excellence. In an era where opinion and supposition are too often substituted for fact and where journalists rush to get things first and hope their stories are correct, JusttheNews.com tries to stand out by returning to the bedrock promise of getting news first, but first getting it right. We try to deliver exclusive news you can trust.</p> <p>“JusttheNews.com is owned and operated by Bentley Media Group LLC, a company created and owned by investigative journalist John Solomon.”</p>
Liberty Bugle News	<p><a href="https://www.youtube.com/channel/UCtZG1f6HUIBoS6S9GLiKnA">https://www.youtube.com/channel/UCtZG1f6HUIBoS6S9GLiKnA</a></p>	<p>I've started receiving this daily conservative news e-newsletter and enjoy it, it is like Patriot Post but not nearly as long. Not sure if it is affiliated with Liberty News or Natural News, which are pretty shady (it seems to me). It seems to only have a Facebook page.</p>
Liberty Nation News	<p><a href="https://www.libertynation.com">https://www.libertynation.com</a></p> <p>One Generation Away 1629 K Street NW Washington, DC 20006</p>	<p>News and commentary aggregator plus original writing by a young conservative-libertarian staff. From the website: “We are free market, conservative, libertarian, and populist, but we all cling to the nation’s founding principles and US Constitution. We are bold and edgy, seeking to encourage intelligent, compelling dialogue alongside wise and thoughtful readers. We seek a civil discourse that lets freedom ring, but we do not suffer loonies and haters.</p>

	<p>TIM DONNER <i>Founder &amp; President</i></p> <p>LEESA K. DONNER <i>Editor-in-Chief</i></p> <p>MARK ANGELIDES <i>Managing Editor</i></p>	<p>“We recognize that the Fourth Estate in the United States has increasingly turned hard left, and there are very few places that permit alternative voices. So, we analyze, comment, and report on the issues of the day without the filters of the elite, left-leaning establishment media.</p> <p>“Our writers are new, young, fresh, and bold. Occasionally you’ll see a prominent name among our contributors, but our goal is to open our readership to a new generation of thought in the vanguard of the freedom movement. There are plenty of places to read the old guard – we endeavor to advance original, thoughtful and viable concepts to the marketplace of ideas.</p> <p>“We are a project of One Generation Away, a non-profit 501(c)(3) organization. And we are true to the OneGen organizational mission: to apply America’s founding principles to the issues of today. We do not endorse political candidates or specific legislation. But we do offer our commentary, analysis and opinions – the good, the bad and the ugly — on all things related to American public policy and political discourse.”</p>
Newsmax	<p><a href="https://www.newsmax.com/">https://www.newsmax.com/</a> <a href="https://www.newsmaxtv.com/">https://www.newsmaxtv.com/</a></p> <p>P.O. Box 20989 West Palm Beach, Florida, 33416</p> <p>561-686-1165</p>	<p>Newsmax is a conservative pro-Trump news network that has surged in popularity since the 2020 election and is now challenging Fox News in popularity. It is accessible as a television station or streaming service or on the web or with an app.</p> <p>Newsmax was founded by Christopher Ruddy in 1998, who is now CEO, and operated by Newsmax Media. The website is divided into four main sections: Newsmax, Newsmax Health, Newsmax Finance, and Newsmax World, each divided into various subsections. Featured “insiders” include many conservative and libertarian policy experts including Patrick Buchanan, Michael Reagan, Larry Bell, Veronique de Rugy, Jane Orient, and Sally Pipes.</p>
One America News	<p><a href="https://www.oann.com">https://www.oann.com</a></p> <p>4757 Morena Blvd. San Diego, CA 92117</p> <p>Alex Kopacz – EVP, Content Distribution and Strategy Email: alex.kopacz@oann.com</p> <p>Bo LaMotte – Executive VP, Content Distribution Email: bo.lamotte@oann.com</p> <p>Charles Herring</p>	<p>Excellent source of news and conservative commentary. Launched by Robert Herring in 2013, it is “fast becoming the fourth rated national news cable network,” providing news and commentary 24/7. Similar to Fox News but more conservative. I signed up to follow it, for free, on Rumble, a free speech platform similar to Facebook, and get free daily updates.</p> <p>According to its website, you can watch it on these cable networks:</p> <p>KlowdTV at <a href="http://www.KlowdTV.com">www.KlowdTV.com</a> CenturyLink PRISM – 208 (SD) and 1208 (HD) GCI – 64 (SD) and 703 (HD) Verizon FiOS – 116 (SD) and 616 (HD) Vidgo at <a href="http://www.Vidgo.com">www.Vidgo.com</a></p>

<p>Patriot Post</p>	<p><a href="https://patriotpost.us/">https://patriotpost.us/</a>   <a href="https://patriotpost.us/subscription/new">https://patriotpost.us/subscription/new</a>   Mark Alexander, Publisher   “Alexander received an executive level appointment to a national security post under President Ronald Reagan, and was reappointed to that post under successive presidents. He resigned that appointment after the re-election of Barack Obama.”</p>	<p>An outstanding daily news update with dozens of links to conservative and libertarian commentary on all the major issues of the day. This is the best conservative news source I subscribe to, it’s highly recommended.</p> <p>From its website: “The Patriot Post is a highly acclaimed weekday digest of news analysis, policy and opinion written from the heartland — as opposed to the MSM’s ubiquitous Beltway echo chambers — for grassroots leaders nationwide.</p> <p>“The Patriot Post is steadfast in our mission to extend the endowment of Liberty to the next generation by advocating for individual rights and responsibilities, supporting the restoration of constitutional limits on government and the judiciary, and promoting free enterprise, national defense and traditional American values.</p> <p>“We are a rock-solid conservative touchstone for the expanding ranks of grassroots Americans Patriots from all walks of life. Our mission and operation budgets are not financed by any political or special interest groups, and to protect our editorial integrity, we accept no advertising. We are sustained solely by you. Please support The Patriot Fund today!”</p>
<p>PJ Media</p>	<p><a href="https://pjmedia.com/">https://pjmedia.com/</a>   Paula Bolyard, Editor   <b>Editorial and Technical Request</b>  Send inquiries to:  <a href="mailto:pjcontact@townhallmedia.com">pjcontact@townhallmedia.com</a>   <b>Media Request</b>  Send inquiries to:  <a href="mailto:pjcontact@townhallmedia.com">pjcontact@townhallmedia.com</a></p>	<p>A conservative news and commentary internet site that has news, columns, and blogs featuring many popular conservative pundits. From its website:  “Since its inception in 2005, PJ Media has been focused on the news from a center-right perspective– from the insightful commentary provided by our all-star lineup of columnists to our writers’ quick takes on breaking news and trending stories. The media company’s founders — Academy Award nominee Roger L. Simon, Charles Johnson (Little Green Footballs) and Glenn Reynolds (Instapundit) — brought together a tightly knit band of bloggers into an integrated website that has evolved into a reliable source for original, unique, and cutting-edge political news and analysis. It is also home to Instapundit.com. In March 2019, PJ Media was acquired by Salem Media Group and became part of the Townhall Media family.  “Townhall Media, an affiliate of Salem Media Group, is a political publisher at the forefront of national discussion with commentary and analysis from a right-of-center perspective. <p>Reality News</p>	<p><a href="http://www.realitynewsmedia.com/news/">http://www.realitynewsmedia.com/news/</a></p> <p>Steven Welcenbach, owner/editor, 414/491-3421 realitynewsmediagroup@yahoo.com</p>	<p>A conservative monthly newspaper produced by Wisconsin native and long-time conservative political activist Steve Welcenbach. It covers national as well as Wisconsin-specific news stories and prints columns and essays by many conservative and libertarian writers who are not already promoted by the major national think tanks. From the website:</p> <p>The content of Reality News includes articles from foreign and national sources as well as local writers and regular people in the TEA Party movement. Wisconsin state politics and interesting, contentious county and city issues get lots of coverage as well. Besides the dissemination of high level information, Reality News attempts to provide a forum outside of the internet for conservative minded people to interact with each other in two very important ways; 1) to allow the voices and opinions of TEA Party people to be heard through articles and letters submitted to and published in Reality News, 2) for people to publically proclaim their support of the conservative viewpoint as a sponsor and/or advertiser so these like-minded people can support each other in their business dealings as well as their political activism. This mutual support of conservatives amongst themselves I feel will be the greatest factor in determining how successful our movement becomes.”</p>
<p>Rebel News</p>	<p><a href="https://www.rebelnews.com/">https://www.rebelnews.com/</a></p> <p>PO Box 61056, Eglinton/Dufferin RO Toronto, ON M6E 5B2 Canada</p>	<p>The Canadian version of Fox News, television news and many regular shows, news stories for free online, and conservative commentary. The Wall Street Journal	<a href="https://www.wsj.com/news/world">https://www.wsj.com/news/world</a>	<p><i>The Wall Street Journal</i> was one of the preeminent newspapers in the world. Its editorial page has long featured some of the very best conservative and libertarian thinkers and pundits, and its house editorials are often excellent. However, the rest of the newspaper tilts in the liberal direction and in recent years its bias has gotten especially bad. As a consequence, its circulation is falling and the size of the newspaper has shrunk by about half. It also has a globalist bias that is out of touch with modern conservative thinking.</p>

WND (World Net Daily)	<a href="https://www.wnd.com/">https://www.wnd.com/</a>	<p>An excellent national source of news and commentary from a conservative perspective. Hundreds of stories continuously updated on a wide range of issues and topics. From its website:</p> <p>“WND is an independent news company dedicated to uncompromising journalism, seeking truth and justice and revitalizing the role of the free press as a guardian of liberty. We remain faithful to the traditional and central role of a free press in a free society – as a light exposing wrongdoing, corruption and abuse of power.</p> <p>"We also seek to stimulate a free-and-open debate about the great moral and political ideas facing the world and to promote freedom and self-government by encouraging personal virtue and good character.</p> <p>“Founded in May 1997 by Joseph and Elizabeth Farah, WND has been a leading Internet news site in both traffic and influence for a quarter century. It has broken many barriers for other news websites that would come later, including being the first online news organization – after a protracted battle – to be awarded permanent congressional press credentials from the U.S. Senate Press Gallery.”</p>
