

THINGS YOU CAN DO TO SAVE AMERICA

06

WRITE LETTERS TO THE EDITOR TO LOCAL NEWSPAPERS.

Writing letters to the editor gets read more than you know! Let editors, readers, and politicians know how an issue affects you by getting it down on paper or computer and sending it to your local paper! You can also submit to national newspapers!

PUT UP ONE OR MORE LAWN SIGNS AND PUT A BUMPER STICKER ON YOUR CAR.

It starts with you! If you are confident about a candidate or issue, don't keep it to yourself. Let your neighbors know and pretty soon they'll be popping up like mushrooms!

SIGN NOMINATION PETITIONS AND HELP COLLECT SIGNATURES FROM FRIENDS AND NEIGHBORS.

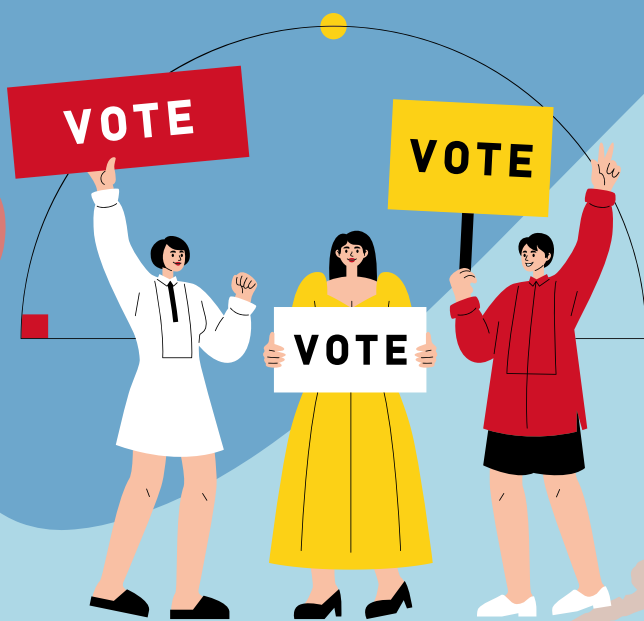

Do you have a candidate you are supporting? You can volunteer to get that candidate on the ballot by collecting nomination signatures. Contact the candidate's campaign.

VOLUNTEER TO HELP CANDIDATES OR YOUR LOCAL AND COUNTY GOP PARTY.

Once your candidate is on the ballot, volunteering really kicks in! You can man the phones, drop literature door to door, and many other ways to use your skills to help your candidate get elected!

CONTRIBUTE TO CANDIDATES WHO HAVE BEEN ENDORSED BY OTHER CONSERVATIVES.

Of course, one of the most effective ways to help your candidate is to donate \$\$ to their campaign fund. All denominations are welcome by your candidate and with the internet and phone apps it's become easier than ever!
