The Liberty Alliance of Wisconsin (LAW) invites you to join the leaders of dozens of patriot groups in Wisconsin to find ways to work together to restore freedom and the rule of law. This will be the fourth meeting of patriot leaders in Wisconsin since last September.

LAW emerged last September at a meeting of 13 patriot groups in Black River Falls. We are a hub, or coordinator/clearing house of information and activities, helping groups around the great state of Wisconsin to increase their effectiveness, share ideas, and hold elected officials accountable. Go to our website at [www.libertyalliancewisconsin.org](http://www.libertyalliancewisconsin.org) to learn more about us.

## Items on the proposed agenda include:

- An overview of LAW's organization and resources and invitation to new groups to join;
- Five minute presentations by organization leaders to discuss their successes and setbacks, what they can offer to other groups, and what help they need to become more successful;
- Contact information for other patriot groups in Wisconsin and nationwide, reliable sources of information, and tips on how to create and market websites;
- How we can best help the Dan Kelly campaign;
- The battle for election integrity — exposing election fraud and keeping Democrats from stealing the 2024 presidential election; and more. Coffee & rolls provided, lunch orders will be taken.
