About the Wisconsin Conservative Coalition

The Wisconsin Conservative Coalition (WCC) is a nonprofit, nonpartisan organization incorporated in the State of Wisconsin and registered with the IRS as a 501(c)(4) organization. Its mission is to help bring about a constitutionally conservative electorate and culture in Wisconsin.

We believe:

- The Constitution means what it says and is not a “living document.”
- The Constitution can be changed only by the methods described in the Constitution, as has been done 27 times.
- The Federal government has limited, defined responsibilities and powers. All rights not defined in the Constitution are reserved for the States or the People.

The WCC carries out this vision by facilitating communication among conservative organizations and with elected officials in Northeastern Wisconsin and through effective political education and action. WCC membership currently consists of three groups: Northeast Wisconsin Patriots (Green Bay area), Fox Valley Initiative (Appleton area), and Wolf River Area Patriots (New London area). Membership is open to organizations in Northeast Wisconsin committed to the historic values of life, liberty, and the pursuit of happiness.
