An Evening with

EWA

A STORY OF COURAGE, FREEDOM & FAITH

FROM POLAND TO AMERICA: A JOURNEY OF FREEDOM

Hear Ewa's powerful, firsthand story of growing up in Poland under communism, her courage to escape during the Solidarity movement before the fall of the Soviet Union, and how God led her to a new life in America. Now an American citizen for over **four decades**, Ewa is passionate about freedom, **faith**, and the country she now calls home.

A story that will inspire. A message that will strengthen. A night you won't want to miss!
