In Wisconsin, It's Too Easy to Obtain Fraudulent Absentee Ballots

Harry Wait is founder and President Emeritus of HOT Government. Through his advocacy, activism, and willingness to put himself on the frontlines of the election integrity battle in Wisconsin, Harry has inspired others across the state to stand up and demand transparency from their government.

Harry will review his personal and legal experience with the state of Wisconsin after exposing the ease with which fraudulent absentee ballots can be requested and obtained.

750 North Hickory Farm Lane is between Hwy. 96 and College Avenue, east of Hwy. 41 and west of Lynndale Drive.
